### PLANNING A TRIP ON MARTA?

JUST A CLICK AWAY:

### NEW MY COMMUTE WEB FEATURE

**N**ow planning a trip on MARTA is at your fingertips with the new My Commute trip planner on [www.itsmarta.com](http://www.itsmarta.com). With this convenient new feature, customers can enter a starting location and final destination to pull up detailed directions, maps and schedules. Customers can customize their trip based on trip times, walking distances and transfers or search for directions to popular destinations.

My Commute provides directions and schedules for MARTA and Clayton County's C-TRAN bus service, which is also operated by MARTA. The system has been designed to incorporate additional regional information in the future.

As a complement to the My Commute system, MARTA is installing new area maps at all 38 rail stations. These easy to use maps highlight points of interest and provide detailed information about the immediate area to help customers reach their final destination.

### FY07 QUALITY OF SERVICE REPORT

The Department of Planning recently released the FY07 Quality of Service Report which had some great news. In FY07, MARTA experienced a 6.6% increase in overall ridership, with a 12.2% increase in rail passenger trips. In addition, passenger revenue increased by 4.3%. The Quality of Service Survey showed that not only were more people riding, but that the overall customer experience was improving. 75% of customers said they were either very satisfied or satisfied with MARTA service over the fiscal year, which was an increase of 3% from FY06. In addition, customers gave MARTA satisfactory or higher ratings in 6 of 8 customer service categories.
