MARTA CUSTOMER CODE OF CONDUCT

Metropolitan Atlanta Rapid Transit Authority (MARTA) provides important services to the traveling public in the MARTA service area. Safety is the guiding principle by which MARTA operates. A successful partnership between MARTA and the public is dependent upon MARTA employees and the traveling public behaving in a mutually respectful and courteous manner. In an effort to improve the experience of its patrons, the MARTA Board of Directors has adopted a policy that is commonly referred to as the Customer Code of Conduct (Code). The Code sets out prohibited behaviors for everyone who uses MARTA facilities and/or rides the MARTA system and authorizes certain personnel to expel from MARTA property persons who commit Transit Violations (as defined herein) and to suspend their privileges to thereafter enter upon transit property and use the transit system.

This policy also describes the process that those who feel they have been unfairly cited may use to appeal their suspension.

POLICY

It is the mission of MARTA, through the efforts of dedicated, well-trained employees to provide a safe and secure environment for customers and employees of MARTA. MARTA has established a Customer Code of Conduct to promote the safety and comfort of its riders, to facilitate the proper use of transit facilities and services, to protect transit facilities and employees, to assure the payment of fares and to ensure that MARTA vehicles and facilities are safe, welcoming and provide equitable access for MARTA customers.
