

Modified Late-Night Rail Service on the Blue & Green Lines

Due to the Georgia Dome Supplemental Implosion beginning late Tuesday night, December 19, from 11:30 pm until the end of service at 2:00 am, MARTA's Blue/Green rail lines will not travel through the Dome Station located one stop west of Five Points.

Beginning at 11:30 pm, MARTA rail will provide 20-minute frequency between: H.E. Holmes to Vine City and Five Points to Indian Creek on the Blue line. Bankhead to Vine City on the Green line.

To safely connect our passengers between Vine City and Five Points, MARTA will provide Shuttle buses approximately every 15 minutes between: Vine City and Five Points Station beginning 11:30 pm until 2:00 am.

Vine City - Five Points Bus Shuttle: Board on the west side (Electric Avenue) of Vine City Station. A shuttle bus will safely travel outside of the Implosion zone to a designated bus loading area on Alabama Street outside Five Points. Shuttle buses will return to Vine City Station. Shuttles will depart approximately every 15 minutes, within 5 minutes of train arrival at either station.
